

Knauf – One of worldwide market leaders in providing customers with light-weight material solution

Knauf Group, a German-based global company operating across 90 countries worldwide, acquired Sheetrock as part of its acquisition of USG in 2018. The synergies from this acquisition increases Knauf’s capability to provide products and systems for light-weight building material that are environment-friendly, energy-efficient, and fairly-priced to help customers work and build better.”

Knauf – One of leading German brands for builders to Build a Better Living Space.
