# **USGKnauf Gypsum Ceiling Tiles**

## Description:

USGKnauf offers a range of high-performance gypsum ceiling tiles that blend aesthetics with quality. These tiles come pre-painted with textured designs, eliminating the need for additional painting. Light weight and easy to install, they feature a durable construction that resists sagging. The perforated design of the pre-painted white panels ensures a seamless look. They can be easily cut without special tools for corner or downlight installations.

## Features:

- Available in various designs
- Non-combustible & fire resistant
- High light reflectance
- Lightweight & easy to install
- Sag resistant
- Easy to clean
- Low maintenance
